NATHANIEL HART, only**, in Lexington, Meigs, M. & P. having relinquished the agency in his favor. A fresh supply of the following are received from **LUC & CO., Baltimore**.

DR. HAMILTON'S ELIXIR.

A foreign remedy for Colds, Obstructed Coughs, Affluents, sore Throats and approaching Consumption. *For Parents who have Children afflicted with the HOOPING COUGH.*

This discovery is of the first magnitude, as it affords immediate relief, checks the progress, and in a short time entirely removes the most cruel disorder to which children are liable. The Elixir is so perfectly agreeable, and the dose so small that no difficulty arises in taking it.

INFALLIBLE AGUE AND FEVER DROPS.

For the Cure of Ague, remittent and intermittent

Thousands can testify of their being cured by these drops, after the bark and every other medicine has proved ineffectual; and not one in an hundred had occasion to take more than one, numbers not half a bottle.

Extract of a letter from Dr. Henry C. Spier, Kent County, Delaware.

"I have given this Elixir to a number of patients this fall, and with constant success. In some obstinate cases they asked like a charm, the difficulties yielding in a day or two to this remedy, after resisting the bark for months, and when they had been thrown in the largest doses."

TOOTH-ACHE DROPS.

The only remedy yet discovered which gives immediate and lasting relief in the most severe instances.

DR. HAHN'S TRUE AND GENUINE GERMAN CORN PLAISTER.

For corns speedily removing their root and branch without giving pain.

DR. HAMILTON'S GRAND RESTORATIVE.

Is recommended as an invaluable medicine for the speedy relief and permanent cure of the various complaints which result from dissipated pleasures—Juvenile indolence—residence in climates unfavorable to the constitution—the immoderate use of tea—Frequent intoxication—any other debilitative influence—temperance—the unwholesome or excessive use of mercury—the diseases peculiar to females at a certain period of life—badly living, &c. &c.

And it is proved by long and extensive experience to be wholly unparalleled in the cure of Violent cramps in the stomach and back, Nervous disorders, Confusions, Indigestion, Losses of spirits, Melancholy, any other affections, Relaxations, Impurities of the blood, Involuntary emissions, Hysterical affections, Obsolete Gleet, Inward weakness, Fluor albus, &c.

The principal operation of this remedy is in the stomach, restoring the digestive powers and sending forth from that organ new health and vigour into every part of the system; it enriches and purifies the blood without endangering it; braces without stimulating too violently the nervous system; strengthens the secretory vessels and the general habit; brings back the muscular fibres to their natural and healthy tone, and restores the nutrition which immoderate evacuations have destroyed and whose loss had thrown the whole frame into languor and debility.

In cases of extremity, where the long prevalence and obduracy of the malady has brought on a general impoverishment of the system, excessive debility of the whole frame, and a wasting of the flesh which no nourishment or cordial could repair, a perseverance in the use of this medicine has performed the most astonishing cures.

HAMILTON'S ESSENCE AND EXTRACT OF MUSTARD.

A safe and effectual remedy for rheumatism, gout, palsy, strains and bruises, white swellings, old, fresh, and new, numbness and weakness of the joints, stiffness of the neck, pains of the side, head, chest, and lungs, and every similar complaint. It prevents chills, or chilled feet, and the ill effects of getting wet or damp in the feet.

The extract is celebrated for removing cold and rheumatism from all other parts, for long time, and every kind of treatment rendered ineffectual for the cure of this obstinate disease.

If you think this remedy may be useful, you are at liberty to make it public.

P. WEATHERBURN.

Meigs, R. Luc & Co.

They are celebrated for removing bilious colic—dysentery at the stomach, and severe head-ache—and ought to be taken by all persons on a change of climate.

PERSIAN LOTION.

So celebrated among the fashionable throughout Europe is an invaluable cosmetic, perfectly innocent and free from corrosive and repulsive elements, (the basis of other lotions) and of unparalleled efficacy in preventing and removing blemishes of the face and skin of every kind, particularly freckles, pimples, in flammatory redness, spots, tetter, ring worms, sun burn, prickly heat, premature wrinkles, &c. The Persian Lotion operates mildly, without impeding that natural insensible perspiration, which is essential to health, yet its effects are speedy and permanent, render the skin delicately soft and smooth, improving the complexion and restoring the bloom of youth.

The patent Indian Vegetable Specific prepared by Dr. Leroux.

CHURCH'S COUGH DROPS.

HAMILTON'S WORM-DESTROYING LOZENGES.

Dispersive of worms, and the symptoms by which they are known.

Worms which infest the human body, are chiefly of four kinds, viz. the Tere, or large round worm, the Cucurbitina, or short flat white worm, the Afcidæ, or small maw worm, and lastly, the Tania, or tape worm, so called from its resemblance to tape. This is often many yards long, and the full of joints—most hurtful, and most difficult to cure.

Among the symptoms attending worms, are, disagreeable breath, especially in the morning, bad and corrupted gums, itching in the nose, convulsions and epileptic fits, and sometimes privation or speech—tasting and grinding of the teeth in sleep—irregular appetite, sometimes loathing of food, and sometimes voraciousness—purging, with slimy and foetid stools—coughs—large and hard belly—pains and sickness at the stomach—pains in the head and thighs with loss of spirits—low fever, with small and irregular pulse—a dry cough—excessive thirst—constipation—pale and unhealthy countenance, and sometimes the face bloated and flushed.

Persons afflicted with any of the above symptoms, should have immediate recourse to *HAMILTON'S Worm Destroying Lozenges*, which have been constantly attended with success in all complaints similar to those above described.

This medicine, which is innocent and mild, as it is certain and efficacious in its operation, cannot injure the youngest infant, or the most delicate pregnant lady, should no worms exist in the body; yet will, without pain or griping, cleanse the stomach and bowels, removing whatever is foul or offensive within, particularly the stinky humor from whence worms and many fatal disorders proceed.

Children generally take this medicine with eagerness, having a pleasing appearance and agreeable taste.

As upwards one hundred and twenty thousand prescriptions of both sexes, and of every age, have received benefit from this extraordinary medicine, a multitude of certificates of cures may be seen, in addition to those already published.

A dose of this medicine given occasionally will effectually prevent the vomiting and purging of children, a dreadful disorder which annually destroys thousands of the infant part of our cities. It is likewise the mildest and most certain remedy known, and has restored to health and strength a great number when in an advanced stage of this fatal complaint—particular and plain instructions are given for every part of the necessary treatment in such cases.

Letter from Mr. Benj. Williams, No. 50, Baltimore Street, two doors above South Gay Street.

Gentlemen,

I have a son six years of age, who for four years past has been generally in a very unhealthy state, particularly in the summer; frequently afflicted with a violent convulsion fits, the whole of his little frame wasting fast, his breath became fetid, an almost constant itching of the nose was excited, with other alarming symptoms. During the course of the above period, the advice and attendance of three of the most eminent physicians in Baltimore was successively procured. Each of these gentlemen in their turn directed worms to be the cause of his disorder, and exhorted their fall in attempts to expel them, pink root, castor oil, with a variety of other medicines were administered without the least success. It was once pronounced impossible for the child to live many hours.

I had frequently heard of your *Worm Destroying Lozenges*, but like many others, did not think highly of it as a medicine, until a gentleman of my acquaintance (Mr. Wm. S. Moore) in whose family they had been used with good effect, advised me to make a trial of them. I accordingly gave my son a dose of your worms, of some of them about 12 inches in length; a second dose brought away four more of similar size; a third dose being administered, no more appeared. The child recovered, and now enjoys a good state of health.

BENJ. WILLIAMS.

THE BRUSH-MAKERS.

Two brush-makers of no renown,
Long had been rivals in the town—
What e'er Jones said of you for a sweeper,
The other quick would tell you cheaper;
This conduct thrice he thus addressed him:

"I steals the stuff to have my self,
"And then I makes them up my self;
"So cannot think, tho' oft I try,
"How can you cheaper sell than I?"
"I'll tell you friend," the other said,
"I steals my brushes ready made!"

ANECDOTE.

Not long since two black men fell into dispute about their religious principles.—One insisted upon it, that if a man once becomes a good man, he never would fall away and become a wicked man again; and if it should so happen (says he) it prove he nebbew was a good man." The other replied, "You know Mr. N. T. he had great state, negro and ebony ting, and was worth ten or fifteen thousand pounds—but now he poor begger, cause he got no state;—Tinks it probable nebbew had any?" His antagonist went away chaffelien.

GREAT BARGAINS.

Will be sold by the Subscriber, and for a greater part, *Extensive Credit* will be given, in annual payments, the purchaser giving good bond and security; *The following PROPERTY I will sell, from this day forward, (to wit:)*

VALUABLE BUILDINGS, and the Lots of ground they are on, in Paris—they begin at the Main Corner street facing the Court house, and running parallel with the public ground one hundred feet—

The first a large two story frame building, in which there is a large well finished store house and counting room, both large fire places of brick; the other part well calculated for a tavern, six well finished rooms plastered, and four large fire places; another room, thirty-six feet by twenty, and two fire places, and within five feet of the back room door, a brick lodging room, and a kitchen adjoining—The balance of the building of brick, two stories high; with four houses, twenty feet square, rented out to different families; convenient to those are two small kitchens—there is a stable and small garden for the use of the large building. I have also nine acres of out lots in excellent order for cultivation.—Those buildings were first valued by a number of workmen at eight thousand dollars; and several useful additions have been made to them since—I will now give them extremely low, and give them clear of all incumbrance.

Another property I have in Mason county, one mile and three quarters from Limestone—two valuable overhot mills, in as high credit for manufacturing flour, as any in the late, and are now repairing and almost done, so as to start in complete order when the season for grinding commences, with the best Burr and Alleghany stones, rolling screens &c.—Those mills in the season for grinding, can make forty barrels of flour every day that they are worked; and any person inclining to purchase, can be informed, that the quality of the flour is superior to any that has been boasted from Limestone. With those I will sell a valuable negro man, a good miller; the plantation of 140 acres, 100 apple trees, of fruit equal to any in the state, a fine clover and blue grass pasture and meadow, a small dwelling house and farm, with other out houses, cherry and peach orchard—the title indisputable; and I will give it clear of all incumbrance. For this property I have in two years paid nine thousand dollars.

I have also for sale, 700 acres of Military land, fourteen miles from Washington, North West of the Ohio river, with a very promising salt lick, supposed to have salt water, a small trial has been made, and some salt made by a Mr. Sherburne.

I have also small plantations in Lebanon, that I will sell—they are most valuable.

I have patents for lands near Montgocourt house, of the first quality; one thousand acres, the half of which I will sell at one third its value; the purchaser has his choice; patented 17 years.

I have 600 acres of first quality from Fleming court and special entries—

I have also acres for sale, of the best quality; for this I will give 60s per acre; the title under.

I have also for sale about 200 acres, on Cedar creek, of Floyd's lot, with a never failing spring on it; a part high land, and a part indifferents, within five miles of Mann's lick; this has excellent range and timber—for this I will take good salt at 125 per acre, if cash 95 per acre.

I have also for sale, six hundred acres, patented land, on Clover lick, eight miles from the Crab orchard—this I will take 35 per acre for in cash, or 45 6d in horses.

If it will be an accommodation to those who may incline to purchase the mills, I will give in an excellent house woman, now living in Lexington.

I will also sell a good stock of hogs, cattle, mares and colts, with the mills.

I will give such excellent bargains in all, or any of the aforesaid property, that any person inclining to purchase, may be well accommodated. The mills I will deliver up the tenth of March next, or if sooner required, on a little more advance, they shall be given up.

Money, good Merchandise, Negroes, and Horses, will be purchased by installments, as will best suit the purchaser.

Application to my son John Edwards, jun. in Bourbon, or to Mr. David S. Brodick, in Washington, or Mr. Enoch Smith, near Montgomery court house, or James Brown esq. in Lexington, for information and contracts with respect to

the property, or to the subscriber, either in Bourbon or Washington, may be made. Any of my creditors choosing to purchase, shall have on the lowest terms, as I am determined to sell.

I will sell 1000 barrels of flour, all to be delivered before the 15th of March next. And,

I have also one other plantation for sale, near Warwick, 233 acres cleared, and the title secure.

Any person purchasing the mills I will furnish with wheat at cash price, and will, if employed, engage to clear them in the fall of flour &c. this season, 2500 or 3000 dollars.
